We are in the final term of our school year. In order to meet our attendance target we need the children in school every day. You can see the overall attendance since September for each class. Currently we only have 2 classes above our school target. Even though your child may not have 100% attendance there is still the opportunity for them to get the gold, silver or bronze attendance award.

Change of date

Please note the change of date for the Year 4 music performance.

Sports Days

Thank you to everyone who attended our Sports Days before half term, they were very well attended. Fortunately the rain held off for us. Well done to everyone who took part.

Music Alive

The children enjoyed a performance from the Music Service today. During the session they were shown a variety of instruments that they could learn to play in school from Year 3 upwards. If you are interested please call into the office and speak to Ms Affleck.

School Dinners

Hopefully your child is happy with their menu choices. If for any reason there is something they are not enjoying please call into the office and we can change their choices.
