Start of the school day

The children are now familiar with the new morning routine. If you would like to leave your child before the bell goes either at the main gate or on the playground there are staff available to supervise them. As the children are now all settled into their new classes could parents and carers please leave the playground when the bell rings and the children are lining up as it is taking a while for Year 5 and 6 to get round to their door due to the number of parents and children leaving the playground at the same time. Nursery parents are still welcome to go in with your child if you want to. Thank you for your support with this.

Flu Vaccine for Year 1 and 2

Letters will be coming out shortly to invite your child to have a flu vaccine. The letter will contain all the necessary information. An information poster is on display outside the main office.

School Dinners

New menus will be coming out soon. Please make your choices and return to school as soon as possible. The new menus are only starting after October half term but we want to make sure all the choices are ready and in place before the new menu starts. If your child does not have school meals currently but would like to start please send their choices back to school. School can also provide a packed lunch for your child.
