### KS2 Performance

The hall has been alive with the sound of music this week! The children have been busy rehearsing for their performance next week on Wednesday 24<sup>th</sup> June.

## School Dinners

Copies of our current school menu have been sent out today. This menu will be running into the autumn term. If your child does not currently have school dinners but would like them in September please call into the office and speak to Ms Affleck who can supply you with a menu choice sheet.

## Music lessons

A reminder that all forms for music lessons should be returned by Wednesday 24<sup>th</sup> June at the very latest.

If you have lost the forms but would still like your child to learn a musical instrument please call into the school office.

## A polite request

We would ask that the children do not bring balls into school. We have stopped football before school for the time being and can provide the children with any necessary equipment at break times. Also, the children are welcome to go into the school garden before and after school but they should remain on the path that runs through the garden. We ask the children not to walk in the wooden edging around the path so it does not become unsafe.

## Good luck

Good luck to two of our pupils who are taking part in sporting competitions in the next few weeks. Jennifer in Year 4 is in the London International Open Taekwondo competition and Leon in Year 6 is representing England in Germany this weekend Kickboxing. We are looking forward to hearing how they get on.
