

This half term we are looking at 'We're going in a bear hunt'

We will be doing activities with the children around the story's theme. If you have the story at home it would be lovely if you could read it to your child or discuss what happens in the story however we will be making copies of this story and making story sacks for you to enjoy together at home.

Diary Date

Week beginning 23rd March –

Parent's information week

May Bank Holiday

Monday 4th May

May Half Term

Monday 25st – Friday 29th May

Summer Holidays

*Monday 20th August – Monday
1st September*

Fundraising

We are fundraising to enhance and develop our outdoor space. We are going to create a Bug Hotel, a den area and a music area.

Fundraising will include design an Easter egg competition, Easter Egg raffle, face painting and a cake sale.

We would like to thank everyone for their contributions towards our mud kitchen by bring in old and new kitchen wear, pots, pans and utensils and planting seeds.

Once the weather allows we will be introducing these into our garden.

As a thank you, you will receive a raffle ticket to go into our draw to win a box of chocolates which will be drawn later this month.

WOW Moments

On the door in the entrance are some WOW slips, these are for you to take home and write any new experiences that your child has achieved. This could be telling you when they need the toilet, starting to potty train, catching a ball, counting to 5 etc. These will then go into your child's file and help feed into our planning to help support and develop your child.

Parents Information Week

We will be having a
parents evening week from
the 23rd of March.

Please make an
appointment with your
child's key person.

Change of clothing

Please could you ensure that your
child brings a spare set of clothing
into nursery as sometimes they do
get wet and we have very limited
spare clothes to change them into

Thank you

Policy of the Month

*This Month the policy of the
month is Late Collection and Non
Collection of children.*

*This can be found displayed on
the nursery doors in the entrance
or on the school website.*

Self-Evaluation

*Self-evaluation is important in helping us
to consider how best to create,
maintain and improve our setting
so that it meets the highest
standards and offers the best
experience for you and your child.*

*Our priorities for improvement February to
April 2015 are*

- We will be introducing Toddler
Talk within the setting and once
embedded we will be sending
activities home for you to do with
your child/children*

*Please continue to tell us what you
like about nursery and what you
feel we can do better. If you wish to
be anonymous then just put it in
the suggestion box in the entrance.*

Spring is approaching

Although spring is on its way it
is still quite cold outdoors so
could we ask that you ensure
your child brings suitable
outdoor wear with them every
day as we access outdoor play
daily.

Hat, Gloves, Scarf and a change
of suitable footwear.
(Wellington Boots or boots).

**1 Please check your child's hair regularly as head
lice are doing their rounds**
